

## Nancy Vencill

I come from a family of dog lovers and I have always had a dog in my life. I got my first PWD, Parker in 2008. Parker opened a lot of doors for me. He was my first champion, first CWDX and first therapy dog. I thank my breeder for giving me the "perfect portie". Since Parker was so much fun I got my second PWD, Mac in 2009. We had so much fun that my husband and I decided to get a third PWD, Patton in 2013. All our dogs have brought so much joy into our lives. I have learned so much from these wonderful dogs plus they have opened up a whole new world of dog friends and activities. I also have a Shih Tzu named Steve and yes I have four intact male dogs and I do live in harmony.

I am very active with Clayton County's Humane Society. I have adopted a Soft Coated Wheaten Terrier and a three legged German Shepherd as well as a rehomed Airedale from a breeder. As well as being a member of the USSPWD Club since 2011 I am a member of the PWDCA since 2008. I have been on the water trial committee for Splash Away at Callaway for the past 6 years and trial secretary for the August 2016 water trial. I have also been the raffle chairman for the Splash Away at Callaway water trials and the raffle chairman for the 2016 Jamboree.

I have worked as an officer in the trust department of a large bank for 20 years and as an office manager for a very busy Neurologist of 16 years. I am a past President and Treasurer for the Kiwanis and a past President and Treasurer for my homeowner's association.

I am very much honored to be part of the USSPWD Club. I am so pleased that the club continues to offer fun activities in both Florida and Georgia.
